

Dear Sir or Madam,

Thank you for donating your time and talents to the Racine County Food Bank's largest fundraiser and the biggest one night musical event in the Midwest. The Food Bank helps to provide more than 70,000 meals each month in Racine County and your effort for this event helps us accomplish that.

Here are some details that we need to share with you, please read through them carefully.

Date of event: Friday, March 7th, 2020

Time: 5:30 to 10:30pm

Venue: Eagles Club, Racine. A list of bands appearing can be found at: www.thoughtsforfood.org.

Admission: \$5.00 and (2) non-perishable food items. Musicians that have provided us with a signed waiver will receive a wristband for each band member and a guest.

The venue will have a stage manager/sound engineer to help make this the best TFF ever! The PA system will have at least 4 vocal channels available as well as 4 instrument channels for keys, horns or acoustic instruments. The equipment will be matched (as best we can) to the size of the room and performers. In most cases, we will not be putting all the drums and instruments into the PA system. Nor will we be able to supply separate monitor mixes etc. The engineer will ultimately decide what will work best given our limitations. Please remember that the equipment providers and engineers typically arrive long before the event to set up and stay after hours for tear down. In return, we ask that you please remember to be professional and courteous.

We will provide the venue with a drum kit and bass amp. We expect your group to use the equipment provided. This will cut down set-up and tear down time. (10 minutes scheduled between bands) It doesn't make sense to haul a lot of gear. You will need to bring your cymbals, instruments, guitar and/or keyboard amps. Including set-up and tear-down, the gig is only half an hour in most cases. Besides, it is supposed to be fun!

Once again, **THANK YOU** for donating your time and talents for this very worthwhile cause!
